WEEK 6 GAME HIGHLIGHTS

Dolphins on Feeding Frenzy!

This past weekend the **U6 Dolphins** went up against D43 and both teams played a great game. The Dolphins won with some great scoring from our players: **Lauren Mascellino** 2 goals, **Eric Rivera** leading the way with a double hat trick (6 goals), **Peyton Cook** with 2 goals, **Isaac Vincent** 1 goal. There were numerous assists from **Jace Parks** and then some great defensive plays from **Samantha Hart, Gavin Brown and Alexis Mills**. Coach Jeremy and Coach Kelsie would like to say great job Dolphins!

Hat Tricks Galore!

The **U8 Gray Sharks**, coached by Lois and Travis Coile, played a fantastic game last Saturday. **John** scored a hat trick plus one, **Jeremy** racked up a hat trick, and **Logan** scored with a great assist from **Kaylee**. None of this would have been possible without **Austin**'s terrific defensive contributions. The players demonstrated some great teamwork and played hard, especially considering there were no subs available. Keep up the great work, Sharks!

Strikers are Red Hot!

The Red Hot Strikers U10 team played their hearts out last Saturday. Everyone worked well together. The defense was strong and the offense did a great job. **Myranda Beasley** scored a hat trick plus, one of her corner kicks deflected off the goalies shin. Coaches Heidi Thamert & Christi Beasley are very proud of the whole team. Team members are **Maggie Tronina, Myranda Beasley, Carolyn Kirkman, Summer Neylon, Emma Hearon, Erin Bross, Miranda Wurtz & Nicki Wheeler**. Way to go Red Hot Strikers!

First Goal—**Azyiah Haynes of the U8 Gators**

SOCCKER TRIVIA QUESTION

Last week's question was: What is it called when a player uses his body to slow down and control a moving ball, most often using his chest, thighs or feet? The Trap was the correct answer. Congratulations to **Logan Collier, Alex & Allison Dirschka**. Collect your prize at the Concession stand.

This week's question is: What do you call the upper corner of a soccer goal, where the vertical and horizontal goalposts meet? Be the first correct answer by Monday evening and you will win a prize from the Concession stand. Email your answer to debdiesch@cfl.rr.com

GOALKEEPING CLASS SUMMARY

Titusville Soccer Club hosted another training session in a series of instructional clinics and this one was directed specifically at the goalkeeping position. We were very fortunate to secure the services of Richard Chisolm, who is the Florida Youth Soccer Association (FYSA), Director of Goalkeeping and also the Olympic Development Program (ODP), Director of Goalkeeping for FYSA, who put on a dynamic presentation. The goalkeeping position is an integral part of every soccer team, but even though it is a specialist position, it is often the most neglected when it comes to individual and team training. This isn't necessarily the coach's fault, because the demands of training a group of players and time constraints, often times mean the goalkeeping position gets overlooked. In an effort to address this problem, we brought in a specialist goalkeeping instructor and they don't come much more passionate than Richard Chisolm. We had a bumper turnout, with 43 players ranging in from aged 10-18, 23 coaches (including those from Rockledge and Palm Bay), and approximately 20 parents, for a Sunday afternoon gathering of over 80 soccer enthusiasts. The majority of the players were from TSC, but there were several others from Rockledge and Palm Bay and there were 7 TSC Board Members who were privy to an outstanding afternoon of goalkeeping skills. We held two sessions to accommodate the younger goalkeepers (Aged 10-12), who were put through their paces from 3-4 p.m. and the older players (aged 13-18) who went from 4:30-5:30 p.m. The constant drizzle didn't dampen their spirits, as Richard had them leaping, diving, catching and throwing, with the agility and dexterity of a seasoned troupe of acrobats. They learned technical skills, positioning, tactical awareness and a myriad of other goalkeeping skills that will serve them well when next they're between the posts. The afternoon was a complete success and all of the players left with a smile on their faces, confident in the knowledge that they'd worked hard, but they'd gained a raft of goalkeeping skills that will help them in their future growth and development. The Titusville coaches included Don Baxter, Christy Beasley, Chuck Beitel, Tony Benvenuto, Geoff Cone, Ashley Corbin, Shanee Cowland, Erik Didden, Joe Gladwish, Scott Higginbotham, Gayle Krisingha, Jonathan Lake, Kate Marple, Gary Mauzy, David Nottingham, Scott Stella, Mark Tyson, Heidi and Jeff Thamert, Allen Vaughan and Tristan Williams. Also present were Willie Dafron from Rockledge and Scott Ulp from Palm Bay.

Kate Marple, You are a Winner! A special 'thank you' goes out to you for making sure that the **Striker** is picked up each Friday and delivered to the Club for distribution first thing on Saturday morning!
