

Titusville Soccer Club, Inc. Sponsorship Program

I believe in the youth of our community and the soccer club I represent. If we as business owners and families in the community work together we can make Titusville Soccer Club one of the best around. We have a brand new soccer complex located at Chain of Lakes, so let's support the children and give them a safe place to enjoy being a child. Let's make this complex the best we can for all our children by supporting Titusville Soccer Club.

❖ *Recreational Team Sponsorship* **\$175**

- **Business name printed on the jerseys of a team of your choosing.**
- **Business logo placed on the TSC website (www.titusvillesoccer.com) with a hyperlink to your business page or email.**
- **Receive a plaque with a picture of the team you sponsored, in appreciation of your generosity.**
- **Sponsorship runs for one entire season (Fall or Spring).**

Recreational teams are intra-club teams that represent 600-800 children ranging in age from 4 to 18 and representing families from all walks of life in our community. Recreational teams provide a positive outlet that is aimed at building self-confidence and the spirit of teamwork within the framework of fun.

❖ *Competition Team Sponsorship* **\$300**

- **Business name printed on the t-shirt of a team of your choosing.**
- **Business logo placed on the TSC website (www.titusvillesoccer.com) with a hyperlink to your business page or email.**
- **Receive a plaque with a picture of the team you sponsored, in appreciation of your generosity.**
- **Because of the traveling involved with competition teams, your business will receive a higher level of exposure than with recreational teams.**
- **Sponsorship must begin during the Fall season and runs for both the Fall and the following Spring seasons.**

Competition teams provide our members with the opportunity to play at a more advanced level. These teams travel to all parts of Central Florida to play other competition teams. In addition to regularly scheduled games during the Fall and Spring seasons, most competition teams also enter tournaments in many counties throughout Florida. These teams may also participate in the annual Regional Tournament, during which they may travel to all parts of Florida to compete with some of the best teams in the state. These teams represent TSC and the City of Titusville and their successes are a point of pride for our community.

❖ *Field Sign Sponsorship*

\$400

- **Business logo and information printed on 8'x4' signage, which will be designed by a professional company and prominently displayed at the TSC soccer complex.**
- **Sign maintenance is solely the responsibility of TSC.**
- **Business logo placed on the TSC website (www.titusvillesoccer.com) with a hyperlink to your business page or email.**
- **Sponsorship runs for full seasonal year (Fall and Spring).**
- **Discount for renewal each year after the sign has been purchased (\$250), if the sign can be reused. If not, the full fee applies.**

Field signs are the most effective way to receive widespread publicity for your business. The Chain of Lakes complex is utilized all **twelve months** of the year, providing year round exposure. Over **3000** men, women, and children are at the TSC fields each weekend during the **seven months** of the playing season. In addition, there are various tournaments throughout the year when families from the entire county and beyond visit the complex, further promoting your business!

❖ *Donation*

- **TSC is always grateful for any donation, large or small, to help offset the scholarships provided for those with financial hardships.**

The deadline for Sponsorships beginning in the Fall season is July 15.

The deadline for Sponsorships beginning in the Spring season is February 1.

Once we have received your generous donation, we will schedule the printing of the jerseys and/or sign advertising your business.
